

School Health Advisory Committee (SHAC) 2022-2023

Meeting Minutes DATE: July 18, 2022

LOCATION: High School Library

- 1:04 pm: Meeting opens with Mr. Chatterton greeted the SHAC committee and thanked them for such a great turn out. He pointed out 23 SHAC committee members were present. Mr. Chatterton introduced Superintendent Kelly Moore to the committee.
- 1:10 pm: Mr Chatterton talked about “what is SHAC?” and functions and why it’s important and why the committee exists.
- 1:20 pm: Mrs. Moore talked about SHAC participation and the committees importance and school matters
- 1:30 pm: Mr Chatterton went over the reason for today's meeting. He explained that new State of Texas legislation mandates certain curriculum issues that the school is obligated to cover. Mr. Chatterton cited all the Senate and House bills that need to be addressed. Mr. Chatterton said that he has researched and found that the Esteem program could be the most complete curriculum that he has found that meets these needs. Mr. Chatterton gave the committee a handout and a web address for ESTEEM and asked if they would investigate the curriculum on their own and a vote will be held in one week on July 25th 2022 at 1pm as to accept or not accept ESTEEM or possibly look at a different source. Mr. Chatterton went over the components of ESTEEM one by one. He pointed out that Union Grove has used ESTEEM in the past with success. He also stated that grades 7,8 and 9 will be the target grades and that ESTEEM will be once a week for 10 weeks. The program will be run through 7, 8, and 9th Science classes.
- 1:40 pm: Mr chatterton thanked the committee for coming and remind them

to be present next Monday Jul 25, 2022 at the same time and place for a committee vote. The meeting was adjourned.
