We received 20 units of blood from blood drive

Discussed the Lions Cub Vision testing as one of our SHAC events

Below is another summary from a previous meeting:

SHAC Update

We have had two meetings.

Initial meeting was October 18 there were five people in attendance. We discussed board policy...made no changes, discussed need for new members...a few names were shared. We did agree to continue reinforcing the importance of David's Law. We tabled wellness policy as well as child nutrition report due to an emergency that Cynthia Vance had to tend to. Jodie Mayhan discussed Nurses Report, which included ideas immunizations on campus via a program called Be Wise Immunize with an emphasis on 7th grade immunization requirements. We discussed flu shots for faculty, which was eventually provided by Kroger Pharmacy. We also discussed possibly bringing in the Asthma Bus. We closed out meeting with open suggestions for future topics.

Second meeting was held on December 13, 2017. There were eight in attendance. Three new members were introduced. Two parents and one student. Parents were Tanya Holman and Kelly Alston. Student was Jesse Pratt. There were no updates on the Be Wise Immunize program. We will have the Asthma Bus here on January 30th. This is a FREE checkup for any students who may potentially have issues with asthma. We discussed the approval of our nutrition waiver, due to transportation difficulties. Cynthia Vance discussed the local food pantry law. It was agreed upon that the Local Wellness Policy needed no changes. We did make the committee aware of our access to the services of Geraci Mack. We closed out the meeting with a discussion of the need to recruited more members so that we can make certain that we stay in compliance with state law for SHAC
Union Grove Family Fun Day was approved as a SHAC event.
