Item 1:

Mr Chatterton gave an update on Walk Across Texas. All Campuses are in full swing and walking across Texas. He reported the distances and progress. He also stated that he would like to start the teachers after the Holidays on a Walk across Texas Competition in teams.

Item 2: Mr Chatterton gave an update on the ESTEEM program. All the Materials have been delivered and ready for the January 2020 start.

Item 3:

Cynthia Vance(Food Service Director) reported to the committee a way to set up an effective evaluation processes. She used Walk Across Texas as the evaluation example.

She also stated that this eval. Process will be effective since this is a Triennial Evaluation year

Item 4:

Nurse Jody Mayhan reported on the "Stop the Bleed" program. She stated the kits are on all campuses put with the AED units. There are 7 AEDs and Bleed kits. She said staff will be trained in the 2nd semester and all high school students will be eventually certified also.

Mayhan also reported on a new trial program called the Nicotine Cessation Program thru UTTyler. All students will take part in a survey to determine participation

Adjourned 4:04 Kelly Alston and Jodie Mayhan
